

Hands Free Bolting No-Flog® 2 Boxed Sets

The No-Flog®2 Boxed Sets offer a full range of the patented No-Flog® 2's.

Available in either Metric, Imperial or Full Boxed Sets which include one No-Flog® 2 of each size, this safe alternative to flogging spanners is suited to a wide range of bolting applications.

Fully compatible with HTL's Bolt Torque equipment, each boxed set is supplied complete with a portable hand carry case ensuring all tools are securely stored in one place.

Add on Safety Kits for an additional line of safety. Simple and effective, the Safety Kits are easily fitted to No-Flog® 2's.

Features and Benefits

- ✓ Dramatically improves operator safety
- ✓ Speeds up the bolting process
- ✓ Eliminates flogging spanners
- ✓ Cost effective safe solution
- ✓ Self-supporting and hands free
- ✓ Won't lock on during operations
- ✓ Custom Branding available
